

Curis to Present at 7th Annual BIO Investor Forum Conference

CAMBRIDGE, Mass.--(BUSINESS WIRE)--

Curis, Inc. (NASDAQ: CRIS), a drug development company focused on developing the next generation of proprietary targeted medicines for cancer treatment, today announced that the Company will be presenting at the 7th Annual BIO Investor Forum Conference, at 3:45 p.m. local time (6:45 p.m. EDT) on October 30, 2008, at the Palace Hotel in San Francisco, California.

Daniel R. Passeri, Curis' President and Chief Executive Officer, will provide an overview of the status of GDC-0449, an orally-administered small molecule inhibitor of the Hedgehog pathway that is currently in Phase II clinical testing under collaboration with Genentech. Mr. Passeri also will discuss CUDC-101, CUDC-305 and Curis' other targeted cancer programs, in addition to other corporate activities.

There will also be a corresponding webcast of the presentation, which can be accessed by visiting:
